

U.S. Government Purchasing

Buying SMASH products is easy. Currently available for immediate purchase is the SMASH 2000, SMASH AD, and the SMASH 2000L (sometimes referred to as the SMASH “mini”). These products can be purchased directly from Smart Shooter or through the Defense Logistics Agency (DLA) Special Operations Equipment Tailored Logistics Support Program (SOE-TLSP). Just request a quote from us or from our authorized distributor or contact DLA for more information.

For more information on the SOE-TLSP contract contact: SOECustomerinfo@dla.mil

For registration or order form questions, contact: SOEOrders@dla.mil

For Smart Shooter assistance, please contact Scott Thompson at scott@smart-shooter.com or by mobile: +1 (952) 913-2568.
